## PROFESSIONAL SUMMARY

Creative and detail-oriented UI/UX Designer with a strong background in front-end development. Skilled in creating user-centered designs, wireframes, and prototypes. My technical experience in React and Vue.js empowers me to collaborate closely with developers and deliver seamless user experiences.

## SKILLS

- UI/UX: Wireframing, Prototyping, User Flows, Responsive Design
- Tools: Figma, Photoshop, Illustrator
- Front-End: HTML, CSS, JavaScript, TypeScript, React, Vue.js, Redux, Tailwind CSS
- Dev Tools: Git, Axios, Vite
- Soft Skills: Problem Solving, Teamwork, Time Management

## PROFESSIONAL EXPERIENCE

Flojics Technologies (Dubai) - Front-End Developer

Jan 2024 - Jan 2025

- Developed user interfaces using Vue.js and React.
- Collaborated with designers to bring UI designs to life.
- Implemented performance improvements including Lazy Loading and Code Splitting.
- Worked with Agile team to build scalable web applications.

Freelance - Front-End Developer

Feb 2022 - Oct 2023

- Designed visual content for social media advertisements using Photoshop and Illustrator.
- Delivered eye-catching visuals tailored to brand identity and audience.
- Collaborated with clients on content strategy and marketing objectives.

## Freelance Projects - Graphic Designer

Before 2022

- Designed branding materials, visual identities, and social media content.
- Created design kits using Adobe Photoshop and Illustrator.
- Delivered design systems that strengthened online presence.

## Egyptian Military Service - Soldier

Nov 2020 - Dec 2021

## PROJECTS

### Personal Portfolio Website

- Designed and developed a responsive personal website to showcase my work.
- Implemented intuitive navigation and UX structure.

[Demo Link](#)   [GitHub](#)

### Wexil - Job Search Platform

- Designed user-friendly job search interface with advanced filtering.
- Built the front-end using Vue.js and Pinia.
- Collaborated with backend team for integration.
